All of our students are treasured gifts from God. In order for our children to be successful we believe we must have the highest expectations of our students and acknowledge and provide for all possible learning styles. We aim to work together to ensure that our school provides every individual with a safe, positive, welcoming learning environment. We believe that the development of good interpersonal relationships and a positive classroom atmosphere conducive to learning will promote good behaviour. The key to the success of the students of St. Michael's is the emphasis on learning goals, co-created success criteria and practical and timely descriptive feedback. These clear supports provided by all the teachers to all the children help to provide a basis for evaluating student achievement and program effectiveness.
